**NARRATIVE:**

Miguel Espinoza is a documented gang member and has an extensive adult criminal history that began at the age of 21. His convictions include terrorist threats, domestic violence with injury, domestic violence with prior, battery and contempt of court. He has served multiple incarcerations, the longest being a 2 year term for domestic violence with prior. Espinoza was released from state prison to the supervision of the Los Angeles County Probation Department on March 12, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2015 after he absconded from post release community supervision (PRCS). Espinoza qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for domestic violence with injury is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
